

# MID-CENTURY CUMALA WOOD SHELVING UNIT

In the world of wooden furniture, few options manage to combine lightness, strength, and natural beauty like the **Cumala wood shelf**. This material, valued for its warm tone and smooth texture, is the perfect choice for pieces that aim to balance functionality and aesthetics. An outstanding example is this **Cumala wood shelf**, a unique creation by Cauteloso Taller, where craftsmanship and design come together to bring to life a piece that stands out in any space.

## Design and functionality of the Cumala wood shelf

Cumala is a tropical wood known for its density (400-600 kg/m<sup>3</sup>), making it lightweight yet surprisingly strong. Its uniform texture and ease of workability allow for fine, elegant finishes, as seen in every shelf and structural detail of this piece.

## Elegant finishes on the Cumala wood shelf

The design, meticulously crafted by our friends at Cauteloso Taller, features a clean-lined structure with subtly angled legs, providing stability and a distinctive style. Each shelf is designed not only to support weight but also to maintain a harmonious visual balance.

## Details That Make a Difference

□ **Premium Material** – Selected Cumala wood, with smooth grain patterns and a natural color that brings warmth to any

setting.

□ **Ergonomic Design** – Its inclined structure and firmly assembled shelves ensure stability and functionality.

□ **Handcrafted Finish** – Sanded and polished by hand to highlight the wood's natural texture while maintaining its rustic essence.

□ **Sustainability** – Cumala is a fast-growing wood, making it an environmentally responsible and sustainable option.

This shelving unit is more than just a decorative piece—it is a testament to the skill and dedication that Cauteloso Taller puts into every creation. Perfect for modern, minimalist, or rustic interiors, this shelf proves that wood alone can transform a space.

If you are looking for a shelf that offers quality, design, and an artisanal touch, this is undoubtedly an option that will stand out.
